

**ORAL ARGUMENT NOT YET SCHEDULED**

**IN THE UNITED STATES COURT OF APPEALS  
FOR THE DISTRICT OF COLUMBIA CIRCUIT**

AMERICAN WATER WORKS  
ASSOCIATION and ASSOCIATION  
OF METROPOLITAN WATER  
AGENCIES,

*Petitioners,*

v.

UNITED STATES  
ENVIRONMENTAL PROTECTION  
AGENCY and LEE M. ZELDIN, in his  
official capacity as EPA Administrator,

*Respondents.*

No. 24-1188 (consolidated with  
Nos. 24-1191, 24-1192)

**JOINT MOTION TO ESTABLISH  
BRIEFING FORMAT AND SCHEDULE**

Pursuant to Federal Rule of Appellate Procedure 27 and Circuit Rule 27, and consistent with this Court's September 12, 2025 order (Doc. 2134580), Petitioners, Respondents, and Respondent-Intervenors respectfully move this Court to enter the proposed schedule herein to govern future proceedings in the above-captioned consolidated cases.

1. As explained in greater detail in the most recent Joint Motion to Govern, *see generally* Doc. 2134361 (Sep. 10, 2025), these consolidated cases were

placed in abeyance before the completion of briefing and scheduling of oral argument, pursuant to the terms of this Court's order dated February 7, 2025. *See* Doc. 2099658. The abeyance continued through July 21, 2025. *See* Doc. 2110289 (April 10, 2025 Clerk's Order); Doc. 2115832 (May 14, 2025 Clerk's Order); Doc. 2119400 (June 4, 2025 Clerk's Order).

2. On May 14, 2025, Respondent EPA publicly announced its intention to rescind certain of the regulations and reconsider the regulatory determinations in the agency action challenged in these consolidated cases. *See* EPA Press Office, *EPA Announces It Will Keep Maximum Contaminant Levels for PFOA, PFOS* (May 14, 2025), <https://perma.cc/5QHK-G5PA>; *see also* Doc. 2134361 at ¶ 5.

3. On July 21, 2025, Respondents moved to remove the consolidated cases from abeyance and requested an order directing the parties to submit a schedule and format for completion of briefing by August 1, 2025. *See* Doc. 2126542. This Court granted that motion on July 22, 2025. *See* Doc. 2126755.

4. On August 1, 2025, Respondents filed a Joint Motion to Govern, wherein Respondents noted their intention to file either a motion or letter with the Court clarifying their position in this litigation and proposed a briefing schedule that took into account that then-forthcoming filing from Respondents. *See* Doc. 2128362. The Court ordered the parties to file motions governing future proceedings by September 10, 2025. *See* Doc. 2129115.

5. On September 10, 2025, Respondents filed a Joint Motion to Govern, wherein the parties requested a deadline of September 12, 2025 to file a proposed briefing schedule. *See Doc. 2134361.*

6. On September 11, 2025, Respondents filed a Motion for Partial Vacatur, wherein they have moved for this Court to vacate certain portions of the agency action challenged in these consolidated cases. *See Doc. 2134523.* Respondents noted to the Court that Petitioners consent to the motion and that Respondent-Intervenors oppose the motion and intend to file a response.

7. On September 12, 2025, the Court granted the Joint Motion to Govern, ordering parties to file a joint proposed briefing format and schedule on September 12, 2025. *See Doc. 2134580.*

8. Respondent-Intervenors are in the process of evaluating Respondent EPA's September 11, 2025, Motion for Partial Vacatur, Doc. 2134523, and preliminarily anticipate that they may seek leave to file a revised brief as a request for affirmative relief in their response to EPA's motion. If they do, that request and the other parties' responses thereto will address the format for such a brief, and all parties reserve all of their potential arguments related to such a request. To reduce the likelihood of additional future changes to the briefing schedule, the proposed schedule accommodates the possibility that Respondent-Intervenors may seek

affirmative relief in their response to EPA's motion and includes a provisional deadline for such a revised brief.

9. Petitioners, Respondents, and Respondent-Intervenors have conferred among themselves and jointly agreed to the briefing schedule proposed below, which takes into account Respondents' Motion for Partial Vacatur and some parties' intention to respond to or seek affirmative relief related to the motion, as well as the need for prompt resolution of merits briefing in these consolidated cases:

<b>Filing</b>	<b>Deadline</b>
Responses to Respondents' Motion for Partial Vacatur, including any consolidated motion for affirmative requests for relief related thereto	September 26, 2025
Respondents' consolidated reply in support of the Motion for Partial Vacatur and response to any motion for affirmative relief	October 10, 2025
Other parties' responses to motions for affirmative relief related to the Motion for Partial Vacatur, if any	October 10, 2025
Replies in support of motions for affirmative relief related to the Motion for Partial Vacatur, if any	October 22, 2025
<p>Respondent-Intervenors' revised brief, if Respondent-Intervenors seek leave to file a revised brief and the Court grants leave to do so,</p> <p><i>or</i></p> <p>Respondent-Intervenors' proposed revised brief, if the Court has not yet acted on Respondent-Intervenors' motion for leave to file a revised brief</p>	November 7, 2025
<p>Reply Brief for Petitioners in No. 24-1188</p> <p>Reply Brief for Petitioners in Nos. 24-1191 and 24-1192</p>	December 5, 2025
Deferred Joint Appendix	December 12, 2025
Final Briefs	December 19, 2025

10. The parties to these consolidated cases respectfully request that this Court enter a scheduling order establishing the briefing schedule outlined above.
